

## PRWS Enrichment Days

Pleasant Ridge Waldorf School has created a series of Enrichment Days during the school year to support working families when school is not in session. Throughout the course of the school year there are faculty in-service days, parent-teacher conference days and other non-attendance days scheduled into our school calendar.

Kristen Wickert, Aftercare Director, will be providing the program and activities for the children. The Enrichment Days are not only designed to help families with childcare needs, but also for the children to have a guided social (games, stories) and informal experiential educational (nature walks, nature-based crafts) experience. This curriculum is designed to enthusiastically engage all students in each age range.

Thirteen of these non-attendance days have been identified and programming will be offered for children **five and up** from 8:30 am – 4:30 pm. Parents may register their child/ren for either the entire day or either half day (8:30-12:30 or 12:30-4:30). Children will need to bring peanut-free snacks for the morning and afternoon as well as a sack lunch.

Registration is required to ensure the enrichment day will be offered. You may register for the entire year or up to 24 hours before each day. Drop-ins will be allowed if there are available openings. A sibling discount of \$5 per day is offered after the first child is registered\*.
