The fundraiser that does not cost you money

The Scrip Program at Pleasant Ridge Waldorf School is a fundraiser that allows you to raise money for the school when you purchase items like groceries, gas, meals, car repairs, hardware, books, draft supplies, gifts, gardening supplies, flowers, veterinarian services and even chiropractic care!

Scrip currency can be used as cash at any business listed in this brochure or on our website: www.pleasantrydgewaldorf.org. The participating businesses support this program by returning 5% of the purchase to the school. **There is no cash value loss to you.** These businesses want to support our school because they see real value in it. All earnings directly fund our operating budget.

Encourage your friends to buy Scrip and ask them to remind and encourage you. If we work together, more income will come to our school. This is community supported education! Working together we support each other.

If you have questions about the Scrip program, please call Cynthia at the Development office at 608-637-8504. And visit or website at www.pleasantrydgewaldorf.org

Using Scrip Currency

Pay for goods and services with Scrip currency (\$1, \$5, \$10, \$20 denominations) at the Scrip businesses listed here and on our website (not Village Market, Nelson's or Kwik Trip).

The businesses will give change in Scrip currency. Please provide them with coin change whenever possible to eliminate bookkeeping problems for the business.

Gift certificates are available in the school office and Parrish Music for large, one-time purchases.

Please thank every business for supporting our school with every transaction.

The Scrip Card and Kwik Trip Gift Cards

The school will issue a Scrip card to each parent to use at Village Market and Nelson Agri-Center. Simply show this card before every purchase.*

Kwik Trip Gift Cards are available at the school and Parrish Music. They are available in \$20, \$50, \$100 values, and used like a credit card at the pumps or for in-store purchases.

***Note that Credit and Debit Card purchases cannot count towards Scrip at Nelson Agri-Center. Please use cash or check.**

**We heartily thank every business that supports our Scrip program!
We could not do this without your help!**
