PARENT PARTICIPATION COMMITMENT

Pleasant Ridge Waldorf School was founded in 1980 upon the dedicated efforts of volunteers. We remain true to our guiding vision of providing a balanced educational experience that instills in children a respect for nature, a strong sense of community, and an abiding appreciation for the value of service.

The school supports parent growth and sense of community by offering festivals, assemblies, lectures, discussions, and parent evenings. Parents and teachers work side-by-side throughout the years to ensure each child's smooth transition to school and healthy development.

Parents of the school are asked to support our vision by active participation in school events and by giving of our time and talents through volunteer opportunities. We ask parents to make the following commitments:

1. I will make my payments promptly.
2. I will participate in the Fundraising/Raffle opportunity or pay the equivalent.
3. I will participate in the life of the school through volunteerism.
4. I will participate in class meetings and all-school meetings.
5. I will read the Parent Handbook and support school policies.
6. I am open to learning about the Waldorf philosophy of education.
