# Camp Leaders

**VICKI RAMSAY** is a teacher of biology, geometry, agriculture, and art at Youth Initiative High School. With twenty-three years of service in alternative and environmental education, Vicki has worked in public schools, community programs, summer camps and at the Kickapoo Valley Reserve. She loves being out in nature with children of all ages, creating arts, learning, and having adventures.

**JANELLE PETERSON** is happiest when exploring outdoors with children. She has directed a family nature club, summer adventure camps, nature-based classes, fields trips, and events. Her degree is in music education and therapy. She is glad to have recently moved back to the country.

**SUSANA RUDER** was born in Ecuador, where she studied Early Childhood Education. She also studied permaculture and biodynamics. She spent four years in Camphill Beaver Run, working in the therapeutic garden with children with developmental disabilities and completing a seminar on curative education.

# Camp Leaders

**FRANCIA** is the founder of Bricolage Cirkus. Before dedicating herself to circus arts, she was a marathon runner and triathlete. After Spending two years training at the San Francisco Circus Center she moved to Eugene, Oregon, where she founded the first aerial program at Bounce Gymnastics and Circus Art Center. Leading the program for six years gave Francia a platform to develop a strong Adult and Youth Circus program that her community was able to participate and enjoy. She continues her circus education with various teachers around the world, gathering skills to strengthen her craft.

**MANDY HERRICK** holds a degree in Theatre/Dance and is a Somatic Movement Educator and Therapist. She has been teaching, performing, and choreographing professionally for more than fifteen years. Over the past several years, she has enjoyed teaching and watching children in Viroqua dance and move.

**RICE SPANN** has never lost his love for bows and arrows since boyhood. He lives on a small homestead outside of Viroqua and enjoys making and shooting wood long-bows in his free time.

**Fee:** \$100  
**Camp Code:** DAC

Calling all artists and adventurers! Who says you can't be both? In this summer experience campers will arrive each day ready to bike (bike and helmet required)! Biking gives the artist so much more freedom to explore the natural world around Viroqua. Each day will take us on a new adventure to unique hidden spots where we will be inspired to draw from life. We will practice drawing techniques that help to cultivate eye-hand connection and creativity. Students should be comfortable and safe bikers. **Drawing supplies for each student to keep are included in camp fee.**
