Tuition for each 8-week session is \$140. Classes meet once a week from 8:30-10:30 am. Most families come one day per week, but attending more than once a week is an option. There is a 20% discount for enrollment in multiple days. Siblings under 1 year of age are welcome at no cost, at the discretion of the teacher. Siblings over 1 year of age receive a \$25 discount per session. Parents and their younger children (1 year of age and below) may choose to attend with the understanding that certain activities (i.e. circle time and puppet stories) may not be designed for that age of child, but much else would be appropriate for the family to join in. If there are two or more classes canceled, PRWS will offer a reimbursement or credit towards the next session. There can be no reimbursement for classes missed due to personal needs unless they are discussed in advance. We regret that we cannot accommodate make-up classes for individual families.
